

Dominick Damico was born in Vineland, New Jersey. His family relocated to Melbourne, Florida where he grew up in the Brevard County school system. After graduating from the University of Central Florida with a Bachelor's Degree in Communications, Dominick started his banking career as a Teller at First National Bank of Central Florida and during his next 10 years of service there, he quickly worked his way up through the company and held the following positions: Customer Service /New Accounts Representative, Assistant Manager, Branch Manager, Marketing Asst, Trainer and Area Manager.

When FNBCF decided to close its east coast banking locations, Dominick choose to move on to a successful career as a Realtor for Pruitt Real Estate and simultaneously as a Loan Officer for Renaissance Mortgage Group. While at Pruitt Real Estate, Dominick's sales performance was recognized by several awards from Pruitt, as well as from Adams Homes a new construction builder and even invited to become a share holder in a local title company.

After the real estate bubble burst in 2006, Dominick spent the next 7 years in the insurance industry with Allstate, Hoffman & Associates and finally as the Personal Lines Supervisor at Space Coast Insurance Agency. During his time in insurance, he obtained licensed designations as a 4-40 Insurance Representative and as a 2-20 Insurance Agent.

In 2013, Dominick returned back to his first love, banking. He joined Florida Community Bank as a Relationship Specialist II. During his time at FCB, his sales performance was again acknowledged through awards, bonuses both personally and earned for his entire team, and through the company's monthly news letter. As an RS II, Dominick led his local branch to achieve their sales goals and incentive for over 2 consecutive years.

On March 7, 2016 Dominick accepted a position with Fidelity Bank of Florida N.A. where he is currently the Relationship Manager which is an all encompassing role which requires the associate to deliver sales, service and transactions to all customers. This role requires a sound financial knowledge of all of the Bank's products and services in order to identify the need of the customer.
