

Memorial Day Event 2014

The Merritt Island Office hosted the “Third Annual Memorial Day Event” on Friday, May 23rd, 2014. We honored those who serve our country, Past, Present and Future, by having a display of war memorabilia displayed in the lobby and outside in the mobile war museum display.

Hot Dogs, Chips, Sodas and Ice Pops were available to all who came by. Those who attended this year were able to sit outside under a canopy and enjoy their lunch.

132 invitations were handed out to nearby businesses. Customers were also invited by telephone and email. An email blast was sent to realtors and their affiliates in Brevard County. Several times there was SRO under the tent. We had a good turnout and the customers seemed to enjoy themselves.

Lynn Cowart (Crosswinds Youth Services) won the drawing for the Grill Gift Basket.

A big “Thank You” to those who helped, whether you made the invitations or delivered them, purchased the food and drinks or prepared and served them, set up for the event or cleaned up after, or participated by bringing in military items or invited friends and family or took photographs. Each contribution from every one of you made this event successful. Thank you for your contribution.
