

"I have worked with Rich Bergen and Linda Foster at Fidelity Bank of Florida for over a year. As a small IT & Real Estate Investment entrepreneur, I needed a bank which understood the growth constraints and opportunities small businesses face. Rich and the staff at Fidelity are very knowledgeable and helpful in taking care of the needs of their customers in a timely fashion. Rich and I successfully closed two real estate deals in 1 year. I look forward to working with the bank as the business grows in the near future. "
