Managing your Mobile Banking Account

You can add devices and disable devices from within your Internet Banking Account with Fidelity Bank of Florida. After you login to your Internet Banking Account you will see a tab on the left hand side that says Mobile Banking. Click on that tab and will enter FBFNA Money, Fidelity Bank of Florida's Mobile Banking Product.

The first screen you will be located below. If you have already enrolled in FBFNA Money and just need to add or delete an account from being seen on your mobile device you easily do that from this screen

1. Activate accounts for Mobile Banking by checking the box next to the desired account(s) and then click save.
2. Click continue to proceed to Mobile Banking.
3. Already enrolled in Mobile Banking? You may edit your account preferences or Continue to Mobile Banking.

Mobile Banking Accounts

Account Number	Account Type	Mobile Status
<input checked="" type="checkbox"/> 201	DDA	Active
<input checked="" type="checkbox"/> 123	SAV	Active

Clicking on the Continue to Mobile Banking tab you will now enter the FBFNA MONEY Mobile Banking Center. As you can see you can do a number of different from inside the center
